Dear Romana

Thank you for your email dated 28th October advising that you are seeking governmental support for your activities in 2015.

We, at the EPDA, fully support your application and sincerely hope that you are successful. As you know having worked with you over the last two years, we would dearly love to have your organisation as a full member of the EPDA, but quite understand that due to financial difficulties you are unable to pay the required membership fee see <http://www.epda.eu.com/en/about-the-epda/our-members/becoming-a-member/>.

However, despite not being a full member we have continued to support each others activities and your organisation is listed on our website <http://www.epda.eu.com/en/parkinsons/international-parkinsons-and-movement-disorders-organisations/a-m/>

The EPDA applauds the work that you are carrying out to improve the lives of people with Parkinson's and their families, whilst at the same time educating healthcare professionals, despite your financial difficulties, and we offer you our full support.

As mentioned above, we wish you every success with your planned activities for 2015 and hopefully, if your organisation's financial difficulties improve, we look forward to the time when you can become a member of the EPDA.

With my very best wishes to you.
